Hello, my name is [your name] and I am a constituent of [your address or neighborhood] calling in support of S371/A996 which would make police disciplinary records subject to the Open Public Records Act. Currently, New Jersey lags far behind other states when it comes to transparency in the police internal affairs process and police disciplinary records. Florida, Alabama, Georgia, Texas, and 26 other states all provide greater access to police disciplinary records than New Jersey. I urge you to support this bill publicly and co-sponsor it.
